CERAMICS

“Design Work” is a framework of ceramic surfaces for contemporary architectural projects. The floor and wall collections play with evocative materials drawing out sophisticated ceramic combinations with new design materials. Design Work is synonymous with design freedom: the colors are chosen to maximise the possible combinations between collections and within them. This creative freedom is dynamic and durable, thanks to the technical characteristics of porcelain stoneware, for use in a variety of elegant, modern residential and commercial environments.

A new landmark in the ceramic industry

Landmark ceramics is an American company, based in Tennessee that has set out to research, manufacture and sell top quality porcelain ceramics in North America, taking advantage of the proven experience of the Gruppo Concorde, an international leader in the sector. Technological innovation, market presence, attention to detail, the welfare of people and the environment, efficient service and a thorough product range make Landmark a new benchmark in the North American market for those who are looking for a reliable partner for any building and architecture project using US Made top quality porcelain tiles.

Inspired by the contemporary nature of resin, the Vision project includes porcelain stoneware surfaces for residential and commercial rooms combining a sophisticated and contemporary soul. Thanks to an evocative ceramic combination of the material that inspired it, giving a perfect balance between comfort and trendiness, architecture and design, material and color. The ceramic surface has a soft, light and elegant structure, in a range of trendy colors. The shades are a mix of greys and beiges offering many design choices. Here are creativity, passion and attention to every detail.

01

COORDINATED DESIGN

The colors blend together in the space thanks to a versatile range of resin- and hounds tooth fabric-effect ceramic surfaces. A wide range of colors and materials in the White version create continuity between floor and walls. The encounter between the resin look and refined textile weaves produces a dynamic coordinated design.

Ceramic surfaces with different inspirations balance each other, transforming the space and making it simple, light and minimal, thanks to the resin effect, but also delicate, warm and decorated with the fabric-effect decorations.

A NEW LANGUAGE

02

DESIGN VERSA- TILITY

With Vision, the colors of the collection complement each other perfectly and there is total flexibility in interior design, as the edges are perfectly ground and a single size so that colors and formats can be easily combined together. The collection's surfaces also lend themselves to creating large commercial areas, thanks to the excellent technical performance of porcelain stoneware.

The color of tiles printed in this catalogue may differ from actual tiles. Tile color reproductions in this catalogue are representative only. Slight tone and shade variations are inherent in porcelain tiles. Before selecting a color, we recommend that you contact your local representative, who will provide you with a sample piece of the requested tile.

This porcelain tile product is manufactured with a V2 shade variation. Remember that the amount of color as well as the texture of each piece may vary from tile to tile. Inspect the product immediately upon delivery and select tiles from many boxes during installation to minimize and blend any possible color difference.

INFORMATION

RECOMMENDED USE

Vision is recommended for indoor floors, walls, countertops, and outdoor walls in commercial and residential application. The use of Vision is not recommended for outdoor application or horizontal exterior surfaces. Landmark recommends an offset no greater than 30%, if a staggered pattern is required for tiles of 20" inches or longer.

CARE AND MAINTENANCE

Do not apply any wax or sealer to the product after installation. Regular cleaning is the best way to keep Vision tiles looking good. Use clean, hot water (add household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. Please visit lcusa.com. For further information regarding the care and maintenance of Landmark products.

WARRANTY

Landmark guarantees that its products will meet or exceed the performance specifications set out in ANSI A137.1- 2012 and in the performance specifications section of the Landmark general catalogue. For more information, please visit our website at lcusa.com.
