

CHARMIE **EVO**
LUXURY EVOLUTION

 **LANDMARK**
CERAMICS

"Precious" is gathering of porcelain tile collections that interpret precious and elegant materials. Prestigious, pure, enchanting, the surface meets contemporary and classic architectures exalting their style and elegance. The decorative power of the graphics and colors ensures impressive results for breathtaking projects.

A new **landmark** in the ceramic industry

Landmark ceramics is an American company, based in Tennessee that has set out to research, manufacture and sell top quality porcelain ceramics in North America, taking advantage of the proven experience of the Gruppo Concorde, an international leader in the sector. Technological innovation, market presence, attention to detail, the welfare of people and the environment, efficient service and a thorough product range make Landmark a new benchmark in the North American market for those who are looking for a reliable partner for any building and architecture project using US made top quality porcelain tiles.

The background of the right page is a large, high-resolution image of a marble-effect porcelain tile. The tile has a complex, organic pattern of light beige, cream, and soft pinkish-brown veining. The tile is shown at an angle, with its edges receding into the distance, creating a sense of depth and perspective. The overall aesthetic is clean, modern, and luxurious.

CHARMIE EVO

LUXURY EVOLUTION

Charme Evo is the natural evolution of marble-effect tile floors and walls, skillfully crafted in the highest quality porcelain. This exclusive range of carefully selected precious marble creates exclusive modern areas. Stunning graphics and the natural feel of the tiles confer a precious quality to interior design projects.

Authentic

Precious
marble
inspiration

luxury

experience

The ceramic marble of Charme Evo brings a distinctive style and elegance to contemporary architecture.

Each unique solution is achieved through an elegant play of veining and the realism of detail.

Where elegance meets **performance**

Produced from porcelain of the highest quality with its **superior performance**, Charme Evo is the ideal solution for decorating the **walls and floors of residential and commercial areas**. The impressive effect of Charme Evo extends to the exterior areas by introducing **20mm tiles** designed for outdoor spaces. This is an additional benefit when designing settings that flow from the indoors to the outdoors with **continuity in color**.

Impeccable
excellence

Stylish shapes for a unique atmosphere

Placed on walls and floors, the **natural veining** typical of marble is enhanced by **elegant mosaics**, selected to create highly distinctive and unique areas. By including decorative elements with the **expert use of small, beautiful tesserae**, the design acquires an additional layer of expression and greater **freedom of composition**. Charme Evo's entire artistic proposition draws on the decorative graphics of marble, heightening the effect through modern shapes and forms, including **hexagon and herringbone** patterns.

ENERGY EFFICIENT

Tile's inherent thermal mass reduces peak heating and cooling, which helps moderate temperature swings in your home.

Sustainability

ECO-FRIENDLY AND SAFE

Sustainability

FLOOR HEAT FRIENDLY

Sustainability

WATER PROOF

Tile is very compact and impervious therefore doesn't absorb. With tile you'll never have to worry about water.

Safety/Durability

FIRE PROOF

Tile doesn't burn, melt or give off toxic fumes when exposed to fire.

Safety/Durability

PREVENT BACTERIA GROWTH

Tile is completely inhospitable to bacteria. That means no mold or mildew, and a healthier home for you.

Health

SCRATCH RESISTANT

Tile is strong, hard and resistant to most type of scratches.

Safety/Durability

FADE RESISTANT

Tile is stable chromatically over time.

Safety/Durability

DOESN'T BEND

Tile is hard and compact.

Safety/Durability

ZERO ALLERGENES

Tile is both hard and impervious therefore inhospitable to dust mites, bacteria, fungi, mold and other irritants.

Health

ZERO FORMALDEHYDE

Formaldehyde is known to lead to an increased incidence of asthma. Tile has zero formaldehyde.

Health

VOC & PVC FREE

ZERO PVC ZERO VOC

Tile is completely PVC and VOC (volatile organic compound) free that means a healthier home for you.

Health

PET FRIENDLY

Tile is both dog and cat scratch proof.

Safety/Durability

RESISTANT TO FROST

Tile is snow and ice proof.

Safety/Durability

RESISTANT TO ACID

Safety/Durability

STAIN RESISTANCE

The color of tiles printed in this catalog may differ from actual tiles. Tile color reproductions in this catalog are representative only. Slight tone and shade variations are inherent in porcelain tiles. Before selecting a color, we recommend that you contact your local representative, who will provide you with a sample piece of the requested tile.

This porcelain tile product is manufactured with a V2 shade variation. Remember that the amount of color as well as the texture of each piece may vary from tile to tile. Inspect the product immediately upon delivery and select tiles from many boxes during installation to minimize and blend any possible color difference.

RECOMMENDED USE

Charme Evo is recommended for indoor floors, walls, countertops, and outdoor walls in commercial and residential application. The use of Charme Evo, with exception of Frontier20 Michelangelo Extra White 24"x24" (20mm), is not recommended for outdoor application or horizontal exterior surfaces. Landmark recommends an offset no greater than 30%, if a staggered pattern is required for tiles of 20" inches or longer. Landmark recommends the use of leveler for a proper installation.

CARE AND MAINTENANCE

Do not apply any wax or sealer to the product after installation. Regular cleaning is the best way to keep Charme Evo tiles looking good. Use clean, hot water (add household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. Please visit lcusa.com. For further information regarding the care and maintenance of Landmark products.

WARRANTY

Landmark guarantees that its products will meet or exceed the performance specifications set out in ANSI A137.1- 2012 and in the performance specifications section of the Landmark general catalog. For more information, please visit our website at lcusa.com.

PHYSICAL PROPERTIES	TEST ASTM	NORTH AMERICAN STANDARD A137.1*	RESULTS
Water absorption *	C373	≤ 0.5%	COMPLY WITH ANSI A137.1
DCOF Average dynamic coefficient of friction **	BOT 3000 test	≥ 0.42	≥ 0.42
Resistance to freeze/thaw cycling *	C1026	As reported	RESISTANT
Warpage (edge)	C485	Warpage ± 0.4% or ± 0.05 in	COMPLY WITH ANSI A137.1
Warpage (diagonal)	C485	Warpage ± 0.4% or ± 0.07 in	COMPLY WITH ANSI A137.1
Wedging	C502	± 0.25% or ± 0.03 in	COMPLY WITH ANSI A137.1
Chemical resistance	C650	As reported	UNAFFECTED
