THE ESSENCE OF TIME

The heat of the sun penetrating our skin and bones, providing the body with a sweet sensation of comfort and wellness.

A DEEP AND ANCIENT SENSE OF WARMTH is retained and released by our Inland Collection, inspired by a mix of different pine wood essences recovered from old American beach houses and piers.

AGED, NATURAL WOOD PLANKS, RECOVERED AND BRUSHED, that compose a unique and incomparable natural panel, with a DRAMATIC VARIATION IN GRAINS, COLORS AND SURFACE STRUCTURES.

A rustic yet modern style, with a strong visual impact, suitable for any home and commercial space.
