Relic

Memories, colors, brightness.

Relic celebrates the true essence of glossy glazed majolica, the surface which, more than any other, has transformed habitats with its decorative energy.

Brick tile, vibrant color.

Relic is brick-size porcelain stoneware that evokes the craftsmanship of handmade ceramics and, through nine super-trendy shades, designs walls with vibrant tactile energy.

Superior technology
and raw materials
reflect extra-bright
surfaces charged with
depth. The glazes
give the walls an
intoxicating glow and
transform the space,
which becomes vibrant
and irresistible.

The small Relic sizes tell the story of artisan ceramics combined with technological innovation. The sophisticated imperfections, color shades and every detail express the value of tradition with a contemporary twist.

Relic gives every household surface a tactile appeal. The small, glossy, irregular modules are ideal for wall coverings and also lend harmony and style to flooring.*

*

LIGHT TRAFFIC
As with any artisan
material, contact with
outdoor areas should be
avoided when laying it on
the floor.

Blue
2³/₈" x 9¹³/₁₆"

Relic differs from other ceramics starting from its details, including the most hidden. The reproduction of imperfections and irregularities extends to the edges and embellishes the ceramic material with great naturalness and artisan appeal.

Relic

Grigio / Antracite
23/8" x 9 13/16"

The brick size is a valuable asset for compositional creativity. The small module is ideal for color combinations which, combined with original compositions, can design truly unique and personalized walls.

Exquisite Relic, with its deep, unrivalled radiance, decorates the most chic and sophisticated contract spaces. The tactile effects and vivid colors express a striking contemporary style and natural luxury.
